FEATURED RACES

- The pro-life "Texas Heartbeat" bill

✓ **Vidal Martinez - Harris County Judge**

Vidal Martinez is a lifelong conservative champion who has a long history of experience, including serving as a Federal Prosecutor and Port of Houston Commissioner. Vidal Martinez is a recognized conservative business and community leader who has the values, courage and experience to undo Lina Hidalgo's failed policies. As our County Commissioner, Vidal Martinez will:

- Fully fund and support law enforcement
- Put an end to Lina Hidalgo's crazy bail bond scheme which has allowed dangerous criminals back on the streets
- Immediately fire the unelected Elections Administrator to ensure election integrity
- Will stop ANY tax increase
- Ensure all allocated funds are actually used for critical flood mitigation

Under Lina Hidalgo's failed "leadership," violent crime is up almost 200%, our Constables' funding has been cut, corruption is rampant and the Democrats are pushing for historic tax increases. Vidal Martinez is the conservative leader who can defeat Lina Hidalgo and has the experience to get Harris County moving again.

✓ **Jerry Mouton - County Commissioner Pct. 2**

For decades, Jerry Mouton has been a champion for conservative values. For the last 8 years he has served as the Mayor of Deer Park and has received the prestigious "Elected Official of the Year" award. He has also owned a small business for the last 25 years so he knows how to meet a payroll. He is the candidate who can defeat Adrian Garcia in November. As our County Commissioner, Jerry Mouton will:

- Fully fund our Constables and law enforcement to keep our neighborhoods safe
- Fight to reduce traffic congestion by making essential road and bridge projects happen
- Make sure every penny from the \$2.5 billion bond program goes to fund flood control projects
- Be a conservative voice to get Harris County back on firm financial footing - Adrian Garcia and the Democrats have depleted the Harris County rainy day fund

The current Pct. 2 Commissioner, Adrian Garcia, actually brought up in open Commissioners Court a study to look into doing away with the local neighborhood Constables programs. This is just one example of how out of touch he is with the residents in Pct. 2. He must be defeated.

Commissioner Tom Ramsey has endorsed Jerry Mouton.
